TECHNOLOGY CENTER R3700

Dear Sir:

In response to the Office Action mailed February 27, 2002, please amend the above-identified application as indicated below:

IN THE CLAIMS

Please cancel Claims 1-32 without prejudice. Please add new Claims 33-58 as follows:

Sub B1) 33. An interactive quest gaming system for entertaining one or more play participants, comprising:

a play facility comprising one or more play modules sized and configured to receive or support said one or more play participants playing in, on or around each said play module, each play module further comprising multiple play elements operatively associated with each said play module comprising one or more interactive games or challenges configured to be played or completed by said one or more play participants as part of an overall quest or mission;

at least two of said interactive games or challenges within either the same module or within different modules being arranged or organized sequentially such
